Shaun Groves, Abba Father

Abba Father
My Defender
You are holy
And I surrender
For in my weakness
You protect me
and when my heart strays
You correct me

I Cry Abba Father
I love You Daddy
Abba Father I love You
I love You
Abba Father
I love You Daddy
Abba Father I love You
I love You Daddy

Abba Father
My Defender
You are holy
And I surrender
For in my weakness
You protect me
and when my heart strays
You correct me
