Ella Eyre, L.O.V. (e)

there’s a ghost in my heartbeat
and it knows my pain
reminding me I should be cautious
oh, yeah, yeah

but oh, how my heart aches
to be whole again
a feeling I can’t be ignoring
oh, yeah, yeah

it’s a rollercoaster
I swore I ‘d never ride again
but I think that I’d like to try
think that I’d like to

I need that
L-O /3x
even though it runs from me
say
L-O /3x
L-O-V-E
i need that
L-O /3x
even though it’s hard to keep
say
L-O /3x
L-O-V-E
i need that
L-O /3x

there’s a light in my shadow
and it’s blinding me
reflecting the person I could be
oh, yeah, yeah

and there’s a voice in my nightmares
and it disagrees
saying it’s not like the movies
ohh, tyeah, yeah

it’s a rollercoaster
I swore I ‘d never ride again
but I think that I’d like to try
think that I’d like to

I need that
L-O /3x
even though it runs from me
say
L-O /3x
L-O-V-E
i need that
L-O /3x
even though it’s hard to keep
say
L-O /3x
L-O-V-E
i need that
L-O /3x
