Shawn Mendes, Summer of love (ft.Tainy)

Kisses on your body were like heaven
We were taking it slow
And tangled in the sheets until the evening
There was nowhere to go,
We were in a daze
Learning each other shapes
Tracing shadows of rain down your back,
Kisses on your body in my memory
Babym nothing comes close

It was the Summer of love
A delicate daydream
And for a couple of months
It felt like we were 18
It was the Summer of
La la love
It was the Summer of love of
La la love

Meditation and tequila
Calling you my senorita
Didn’t know how much i need ya
Hate it when i have to leave ya
I’ve been taking mental pictures
For when i miss ypou in the winter
Staying up until the sunrise
Praying it won’t be the last time

It was the Summer of love
A delicate daydream
And for a couple of months
It felt like we were 18
It was the Summer of
La la love
It was the Summer of love of
La la love

Kisses on your body were like heaven
We were taking it slow
And tangled in the sheets until the evening
There was nowhere to go,
We were in a daze

It was the Summer of love
A delicate daydream
And for a couple of months
It felt like we were 18
It was the Summer of
La la love
It was the Summer of love of
La la love
It was the Summer
