

Charlie Puth, How Long

I'll admit, I was wrong
What else can I say, girl?
can't you break my head and not my heart
I was drunk, I was gone
but I don't make it right
but promise there were no feelings involved

She said: "Boy, tell me honesty
Was it real or just for show?"
She said: "Save your apologies"
Baby, I just gotta know

How long has this been going on?
you been creeping up on me
while you calling my baby
how long has this been going on?
you been acting so shady
I've been feeling lately, baby

I'll admit
it's my fault
but you gotta believe me
when I say it only happened once
I tried and I tried
but you'll never see that
you're the only I wanna love

She said: "Boy, tell me honesty
Was it real or just for show?"
She said: "Save your apologies"
Baby, I just gotta know

How long has this been going on?
you been creeping up on me
while you calling my baby
how long has this been going on?
you been acting so shady
I've been feeling lately, baby

She said: "Boy, tell me honesty
Was it real or just for show?"
She said: "Save your apologies"
Baby, I just gotta know

How long has this been going on?
you been creeping up on me
while you calling my baby
how long has this been going on?
you been acting so shady
I've been feeling lately, baby
