Embody, Be Cool (feat. Bailey & Marco Foster)

listen us your day unfolds
challenge what the future holds
try and keep your head up to the sky

lovers they may cause you tears
go ahead release your fears
stand up and be counted
don’t be ashamed to cry

you gotta be
you gotta be bad
you gotta be bold
you gotta be wiser
you gotta be hard
you gotta be tough
you gotta be stronger
you gotta be cool
you gotta be calm
you gotta stay together

all I know /2x
love wil lave the day

you gotta be cool
cool /3x

harrowed what your mother said
read the books your father read
try to solve the puzzles in your own sweet time

some may have more cash then you
others take a different view
my oh my

you gotta be
you gotta be bad
you gotta be bold
you gotta be wiser
you gotta be hard
you gotta be tough
you gotta be stronger
you gotta be cool
you gotta be calm
you gotta stay together

all I know /2x
love wil lave the day

you gotta be cool
cool /3x

times has no questions
it goes on without you
leaving you behind
if you can’t stnd the pace

the world keeps on spinning
you can’t stop it
if you tried to
the best part is danger staring you in the face

remember

listen us your day unfolds

challenge what the future holds
try and keep your head up to the sky

lovers they may cause you tears
go ahead release your fears
stand up and be counted
don’t be ashamed to cry

you gotta be
you gotta be bad
you gotta be bold
you gotta be wiser
you gotta be hard
you gotta be tough
you gotta be stronger
you gotta be cool
you gotta be calm
you gotta stay together

all I know /2x
love wil lave the day

you gotta be cool
cool /3x
