

# Charlie Puth, The Way I Am

maybe imma get a little anxious  
maybe imma get a little shy  
cuz everybody's trying to be famous  
and I'm just trying to find a place to hide

all I wanna do is just hold somebody  
but no one ever wants to get to know somebody  
I don't even know how to explain this  
I don't even think I'm gonna try

and that's ok  
I promise myself one day

imma tell em all  
imma tell em all that  
you could either hate me or love me  
but that's just the way I am  
imma tell em all  
imma tell em all that  
you could either hate me or love me  
but that's just the way I am

that's just the way I am  
that's just the way I am  
that's just the way I am  
that's just the way I am

maybe imma get a little nervous  
maybe I don't go out anymore  
feeling like I really don't really deserve this  
life ain't nothing like it was before

I wanna do is just hold somebody  
but no one ever wants to get to know somebody  
if you go and look under surface  
baby I'm a little insecure

and that's ok  
I promise myself one day

imma tell em all  
imma tell em all that  
you could either hate me or love me  
but that's just the way I am  
imma tell em all  
imma tell em all that  
you could either hate me or love me  
but that's just the way I am

that's just the way I am  
that's just the way I am  
that's just the way I am  
that's just the way I am
