Snow Patrol, What If This Is All The Love You Eve

What If This Is All The Love You Ever Get?
you'd do a couple things so differently I bet
what it this is all the love I ever know
I'd say the words that were so hard to say, don't go

so we've fallen in love
so we've fallen apart

what if it hurts like hell
then it'll hurt like hell
come on over
come on over here
I'm in tge ruins too
I know the wreckage so well
come on over
come on over here

What If This Is All The Love You Ever Get?
I'd not worry spo much about counting your regrets
what it this is all the love I ever shown
I'd not be so scared to run ointo the unknon

so we've fallen in love
so we've fallen apart

what if it hurts like hell
then it'll hurt like hell
come on over
come on over here
I'm in tge ruins too
I know the wreckage so well
come on over
come on over here
