

# CHIARA GRISPO, Since You Left Me (FEAT MIC

morning  
5 o'clock in the morning  
looking up at a ceiling  
maybe my head upon the wall

you got  
in my head and I can't stop  
so I make my ears pop  
Cause it's time that I let you go

I came here for love  
but you pay no attention  
so why I keep on wishing you have

since you left oh  
since you left oh  
since you left oh  
since you left  
since you left oh  
since you left  
I wanna nobody but you  
since you left

FEAT MICHAL SZCZYGIEL:  
kiedy jesteś przy mnie bliżej  
coraz częściej  
czuje w sobie jakby więcej  
nikt mnie nie zna tak jak ty  
szczególnie mi jest dzisiaj z tobą bo  
bo przeszywa mnie dreszcz gdy jesteś obok  
jak mgła unosisz się lekko

You fade away  
but I still have affection  
but I give too much, and

since you left oh  
since you left oh  
since you left oh  
since you left  
since you left oh  
since you left  
I wanna nobody but you  
since you left

and nobody's hear  
nobody my bed  
nobody to read me the bed time stories  
lonely in the dark  
got dizzy and funny  
so please turn on the light

since you left oh  
since you left oh  
since you left oh  
since you left  
since you left oh  
since you left  
I wanna nobody but you  
since you left
