

chloe moriondo, kindergarten

would you like to share your lunch whit me?
I'd surely be delighted to be the one
you give last oreo to
it that's alright whit you

do you wanna sit next to me on the bus home?
I told my mom not to pick me up today
I hope that that's ok

cause this kindergarten crush
has got my stomach all twisted
you're sweeter than sugar
love I'm addicted
my brain is doing bunny loops
I am disaster
everything you do
just makes me heart beat faster
