Tegan & Sara, I'll Be Back Someday

my tv set
what is on
will make it better
will make it better

I wanna call
ask what’s up
I get dial
but I stop
why don’t you call?

to the end my friend
what you lie
oh what I lie

if I could pretend
if I could liee
if I could liee
but i can’t say
no, I can’t stay

bye bye
run run run run run run run
run run run run run run run
