The Kid LAROI, Strangers Pt 2 (Interlude)

First time I met Hailey
I was performing at the, uh, The Today Show
And, uh, her dad actually introduced us, um
And I could tell she really didn't wanna be there
She was, uh
She was really tired, The Today Show's at, y'know, crack of dawn and
Her dad dragged her out of bed, and she, uh
There's actually a video of us first meeting, it's really funny and she
That was our, that was our first time meeting
My squishy little peanut
Love you Hailey
