The Vamps, Matoma, All Night

I been up all night, no sleep!
Cause I feel like I'm always dreaming
All night, no sleep!
Cause I feel like I'm always dreaming

Cause I feel like I'm always dreaming

Sometimes I tend to lose myself when I'm out here on my own
I never seem to get it right, but I guess that's how it goes
Ever since you came around, can't nobody hold me down
You showed me how to find myself when I needed it the most

I been up all night, no sleep!
Cause I feel like I'm always dreaming
All night, no sleep!
Cause I feel like I'm always dreaming
Wide awake, that's ok.,
As long as I'm with you
I'll be up all night, no sleep
Cause I feel like I'm always dreaming

Cause I feel like I'm always dreaming

I'm never gonna find my way, if I don't learn to let go
The past is the past, today is today, and there's things I can't control
The circles underneath my eyes tell the truth that I've been trying to hide
I've been waiting for you way too long
Won't you come and take me home
I'm praying this ain't all a dream
Can you, you, wake me up before you leave?

I been up all night, no sleep!
Cause I feel like I'm always dreaming
All night, no sleep!
Cause I feel like I'm always dreaming
Wide awake, that's ok.,
As long as I'm with you
I'll be up all night, no sleep
Cause I feel like I'm always dreaming

Cause I feel like I'm always dreaming
