

# Cigarettes After Sex , Heavenly

wanting your love to come into me  
feeling it slow, over this dream  
touch me with a kiss  
touch me with a kiss

now you're above feeling it still  
tell me it's love  
tell me it's real  
touch me with a kiss  
feel me on your lips

because this is where I want to be  
where it's so sweet and heavenly

I'm giving you all my  
I'm giving you all my  
I'm giving you all my  
I'm giving you all my love  
all my love

needing you now to come into me  
feeling it slow, over this dream  
touch me with a kiss  
feel me on your lips

when  
now you're above feeling it still  
tell me it's love  
tell me it's real  
touch me with a kiss  
feel me on your lips

I'm giving you all my  
I'm giving you all my  
I'm giving you all my  
I'm giving you all my love  
all my love

and when you're far away I still feel it all  
and when you're far away I still feel it all the same
