Too different, I shouldn't press the press
Suit fitted with the extra press

Four levels in the crib, I fuck in the bottom or no
Top of the shoe got the tag, and what does it say?
It say "Look at all of them O's"
All of them O's say "Ooh" and so do all of them hoes, I'm profitable
I got a bro who was bangin' and throwin' them signs in front of your crib just like it's a property soul
She call me honey bunny, she my motel ho'
2021 and I'm on go, went from Denny's to temaki rolls
Oil money like it's Abu-Dhabi and the Bentley-Bentley on the highway home
Baby ask me "Wanna split the bill?"
Because it turned her on when I say "Ha-ha, no"

Ha-ha no, ha-ha-ha-ha-ha-ha, no
Tone different, I'm a whole different man
Two cups and I move slow like minute hand
Three twenties in a whole green, I kill a gram
Blue hunnids in a whole blue like Jigga man
Pullin' out, she hold kids like minivan
Pullin' out she - Fuck!

And just knowing that I wasn't the only one
