

Conchita Wurst, MALEBU

There's no place like this
Taset like sugar
Cool as the ocean breeze
Or floating
Floating in it

Every breath
Takes me back
Never forget
The Times we had

Summer night In MALEBU
Was like a falling out of time
I feel love
Only love for you
Another cotton Candy sky

Summer night In MALEBU
Ocean water glitter shine

My wildestr dreams
Are coming through
Together crossing every line
Stright to the overlook
To make out
What a bumpy ride

Streamy widnows blurry view
Teh bets are
Off with you

Every breath
Takes me back
Never forget
The Times we had

Summer night In MALEBU
Was like a falling out of time
I feel love
Only love for you
Another cotton Candy sky

Summer night In MALEBU
Ocean water glitter shine
