Future, Please Tell Me

Please tell me one Rolex won't do
Please tell me
Yeah, yeah

Please tell me I can throw the sauce on ya
Please tell me all the fuckin' bosses want ya
Please tell me I can buy Chanel for you
Please tell me one Rolex won't do

You know I hustle hard, ain't got no time
If I'm with my boys, I'm with my Slimes
If you play your cards, you gon' be fine
I told you when I got it, it was mine

Shawty want big dog status
Shawty want big boy carats
Shawty rock big boy Pateks
She ain't never had my status
She ain't never seen it in person
She was just thinking they had it
She ain't never seen a real nigga
She was just thinking you the one

Put you on a whole lotta game
Put you on a whole lotta furs
Put her in a big boy Range
Put her on the big boy Sprite
You know I got the drank out the mud
You know I got the diamonds out the dirt
Shawty got a white dress on
So I gotta pat that down
When a rich nigga text your phone
Baby gotta screenshot now
Went to sleep with all my jewelry on
I bet you tryna take a peek now
You can splurge all day long
You fucking with a rich nigga now
And all I really want
Is for you to hold me down

Please tell me I can throw the sauce on ya
Please tell me all the fuckin' bosses want ya
Please tell me I can buy Chanel for you
Please tell me one Rolex won't do

You know I hustle hard, ain't got no time
If I'm with my boys, I'm with my Slimes
If you play your cards, you gon' be fine
I told you when I got it, it was mine

Please tell me that you do this often
French manicures when I'm golfing
If I buy you Hermés I'm being cautious
If I buy you Birkin you getting saucy
Chanel No. 9 yeah, drop one dime yeah
Steaks and shrimps at Prime
Yeah we eat private, yeah
You ain't gotta have a cosign
Because I'm buying it, yeah
If I tell you that this smile is one of a kind

Please don't tell me you want it 'cause I'm buying it
Please, please keep it exclusive like my diamonds
Please, please keep it tight 'cause you the finest

Please, please tell me it's one of a kind, baby

Please tell me I can throw the sauce on ya
Please tell me all the fuckin' bosses want ya
Please tell me I can buy Chanel for you
Please tell me one Rolex won't do

You know I hustle hard, ain't got no time
If I'm with my boys, I'm with my Slimes
If you play your cards, you gon' be fine
I told you when I got it, it was mine
