I'm not singin', phone keep ringin' 'cause I make up a rhyme
It's like that, y'all, y'all, but we don't quit
You keep on rock shock 'cause this is it (Woo)

In New York, the people talk and try to make us rhyme
They really hawk, but we just walk because we have no time
And in the city, it's a pity 'cause we just can't hide
Tinted windows don't mean nothin', they know who's inside (Woo)
