Mama Mia

I've been cheated by you since I don't know when
So I've made up my mind it must come to an end
Look at me now, will I ever learn
I don't know how, but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything, Oh
Mama mia, here I go again
My my, how can I resist ya
Mama mia, does it show again
My my, just how much I missed ya
There's something broken-hearted
New since the day we parted
Why why, did I ever let you go
Why why, did I ever let you go

S.O.S.

So when you're near me
Darling can't you hear me
S.O.S.
The love you gave me
Nothing else can save me
S.O.S.
When you're gone
How can I even try to go on
When you're gone
Though I try, how can I, carry on

Knowing me Knowing you
Knowing me, knowing you
There is nothing we can do
Knowing me, knowing you
We just had to face it this time,
We're through
Breaking up is never easy, I know
But I had to go
Knowing me, knowing you
It's the best I can do

Take A Chance

If you change your mind
I'm the first in line
Honey I'm still free
Take a chance on me
If you need me, let me know
Gonna be around
If you've got no place to go
When you're feelin' down
Take a chance on me
Take a chance on me

Fernando

There was something in the air that night
The stars were bright, Fernando
They were shining there for you and me
For liberty, Fernando
Though we never thought that we would lose
There's no regret
If I had to do the same again
I would, my friend, Fernando
