Galantis, WE ARE BORN TO PLAY (ft. Charli XC

I wanna burn like fire tonight
I feel my heart beat and jumping twice
feel like red balloons
and I could stay right here for life

this place must be right
days and nights caught by the feeling
love the right
now I am believer
live a life
whit super kind of feeling
jump above the right tonight

Oooeee
WE ARE BORN TO PLAY
Oooeee
Baby, WE ARE BORN TO PLAY

this place must be right
days and nights caught by the feeling
love the right
now I am believer
live a life
whit super kind of feeling
jump above the right tonight

Oooeee
WE ARE BORN TO PLAY
Oooeee
Baby, WE ARE BORN TO PLAY

like a superstar
here we go!

Oooeee
Baby, WE ARE BORN TO PLAY
