

Darude, Look Away (feat. Sebastian Rejman)

there's something you should know
that I can't sing a love song anymore
there's something going on
and I can't turn my back on it anymore

how can we go to sleep at night
and lay there in our beds
when we know what's going on
whit the world today

is it my head?
am I the only one?
is it in my head?
where the war has just began?

we look away
look away
look away
look away
look away
look away
look away
look away

is it my head?
is it my head?
look away
look away

there's something in the air at night
that feels so different
and I don't understand
I didn't see thos one coming

how can we go to sleep at night
and lay there in our beds
when we know what's going on
whit the world today

is it my head?
am I the only one?
is it in my head?
where the war has just began?

we look away
look away
look away
look away
look away
look away
look away
look away

is it my head?
is it my head?
look away
