Gromee, Lingo (feat. Mahan Moin)

champagne and heartbreaks
miscommunications
we ricochet slow
like echo

I say no, no, no, no
don’t need to bleed and bag for your love
let go. let go
you speak but lingo, lingo
you haven’t got hang to hang for my love
let go. let go

we brake bones
resilience
we’re separate island

we ricochet slow
like echo
we ricochet slow

I say no, no, no, no
don’t need to bleed and bag for your love
let go. let go
you speak but lingo, lingo
you haven’t got hang to hang for my love
let go. let go
