

# Deepend, I'm Intoxicated

Every time you come around  
I feels like I'm in ecstasy  
Every time you come around  
I feels like I'm in ecstasy  
Every time you come around  
I feels like I'm in ecstasy  
Ain't got no troubles in my mind  
Coz it's just you and me  
Let me be the one to show you I got everything you need  
Intoxicated, I'm intoxicated  
Every time you come around  
I feels like I'm in ecstasy  
Ain't got no troubles in my mind  
Coz it's just you and me  
Let me be the one to show you I got everything you need  
Intoxicated, I'm intoxicated.  
Every time ain't got no  
Ain't got no troubles in  
Coz I feels like  
Like I'm in ecstasy
