

Demi Lovato, ICU (Madison's Lullabye)

I didn't want these Innocent eyes
To watch me fall from grace
Tried to protect you
I want to direct you

To keep you from my mistakes
I wanna be the one
You look up to when you wanna run
I wanna you to see my face

Whenever you're feeling out of place
You can pick up the phone
If you're ever feeling scared and alone
I'll be the one to
