Harry Styles, Golden

Golden /3x
as i open my eyes
hold it, focus, hoping
take me back to the light
I know you were way too bright for me
I am hopeless, broken
so you wait for me in the sky
browns y skin just right

you’re so golden
you’re so golden
I am out of my head
and I know that you’re scared
because hearts get broken

I don’t wanna be alone
I don’t wanna be alone
when it ends
don’t wanna let you
I don’t wanna be alone
but I can feel it take a hold
I can feel you take control
of who I am and all I’ve ever know
loving you’s the antiodote

you’re so golden
I don;t wanna be alone
you’re so golden
you’re so golden
I am out of my head
and I know that you’re scared
because hearts get broken

Golden /3x
I know that you’re scared
because I’m so open

you’re so golden
I don’t wanna be alone
you’re so golden

you’re so golden
you’re so golden
I know that you’re scared
because hearts get broken
