HRVY, Personal

I don’t know why’d do this to me
You're so cold you’d be playing like yeah!!!!!
I got told danger follows every where you go
But i still be like yeah!!!!!

this the part where I'm gonna get hurt
I never listened and but didn’t deserve it
I was young and she was my first love
so they say that you live and you learn

like she gone mess with you head
she'll flirt with your friends
make you wiosh you were dead
every time she moves on she says
don’t take it personal /2x
every time she moves on she says

who else knows
all my friends are blowing up my phone
something telling
no /10x
