

# Dido, Give You Up

i;m not sitting whit my head in my hands right now  
I don't care where you've been  
no I ain;t watching the clock or getting my phone out  
I won't drink myself to sleep

you don't  
ypu don't get under my skin no more  
no it's gone, it's gone  
I ain't thinking about you no more

I found a way to let you go  
so you don't have to stay now  
a broken mind  
I came close  
but you can't rip my heart ut  
I am giving up  
I am giving up  
I will giving up  
I found a way to let you go  
it's gonna rip your heart out

got your picture convering up the crcks on the wall  
but the libnes won't fade  
didn't think that I would be missing you at all  
maybe that was my mistake

you don't  
ypu don't get under my skin no more  
no it's gone, it's gone  
I ain't thinking about you no more

I found a way to let you go  
so you don't have to stay now  
a broken mind  
I came close  
but you can't rip my heart ut  
I am giving up  
I am giving up  
I will giving up  
I found a way to let you go  
it's gonna rip your heart out
