ILIRA, EXTRA FR!ES

Friday night, in a shiny pink Cadillac
rive in movie
you’re all alone eating snacks
big butt
but got nobody to grab it
so what?
you don’t need no one to clap it
stay away from your phone girl
don’t double text

say Arigato
no need for size zero
boys only breaks hearts
ad you shouldn’t count no carbs
bug butt
and you gotta gotta show it
high cut
and you gotta gotta own it
steal his fries and then get him out of your head

it’s all right
it’s all right
don’t you worry about no guy
my advice
live your life
go and get those extra fries
extra fries, fries
it’s all right
it’s all right
go and get those extra fries

time for you to go melt your plastic Barbie
body wavy like you all up in Bali
big butt
but got nobody to grab it
so what?
you don’t need no one to clap it
hard to kiss im whit cherry pie in your teeth

say Arigato
no need for size zero
boys only breaks hearts
ad you shouldn’t count no carbs
bug butt
and you gotta gotta show it
high cut
and you gotta gotta own it
steal his fries and then get him out of your head
