ILLENIUM, Jon Bellion, Good Things Fall Apart

did i say soemthing wrong
did you hear what i was thinking
did I talk away too long
when I told you all my feelings
that right
is it you
is it me
didi you find something better
someone who, isn’t me
cause I kno wthat I was never your type
never really yur type

overthinking’s got
got me drinking
messing with my head
woah!

tell me what you hate about me
whatever it isn’t I’m sorry
I know I can be dramatic
but everybody said we had it
I am coming t terms with a broken heart
I guess that something good things fall apart

when you said iot was real guess
I really did beliebe you
did you fake
you feel when we parked dfown y the river that night
that nght

tell me what you hate about me
whatever it isn’t I’m sorry
I know I can be dramatic
but everybody said we had it
I am coming t terms with a broken heart
I guess that something good things fall apart

overthinking’s got
got me drinking
messing with my head
woah!

tell me what you hate about me
whatever it isn’t I’m sorry
I know I can be dramatic
but everybody said we had it
I am coming t terms with a broken heart
I guess that something good things fall apart
