I wake up feeling very refreshed (Refreshed)
I stretch and take a step forward (Uh-huh)
Have I found true love?
It's definitely going to be a great day (Yeah)
Is this love?
Will we last forever?
Yeah, I have that feeling
You are somewhat different

White and pretty teeth
My blood becomes sweeter and sweeter
My heartbeat beats like a bird
Bite me, bite you, boom, boom

All of the love cells (Yah)
Have been burried deep in the ground
Ayy, love, that kind of thing
I was getting tired of it before I met you
Come on and bite me, Mr. Vampire
Ask me one by one, Mr. Vampire (Yeah)
Good, we're a match made in heaven
We are such a good match, Mr. Vampire

That shy face (Woo)
Muster up courage, be brave (Uh-huh)
If you lose me like this, you'll regret it like crazy?
Don't you know you have a superpower?
Don't worry, I want to be with you, too
Oh, try to read my mind
It's simple, not complicated
Oh, guess what I am thinking
I think there was enough hint

White and pretty teeth (Oh-woah)
My blood becomes sweeter and sweeter
My heartbeat beats like a bird
Bite me, bite you, boom, boom

All of the love cells (Yah)
Have been burried deep in the ground

Shall we dance together
Till the pale skin
Gets scorched by the sun
Till the sun-kissed skin dazzles
Feel this tremble at this moment
I can't stand it, I'm so drawn to it
Yah, yah, kiss me for the first time
Like a fool, love is all we know (Love is all we know, ah-ah)

All of the love cells (Ayy)
Buried deep in the ground (Na-na-na-na-na)
Ayy, love, that kind of thing
I was getting tired of it before I met you (Ah-ah-ah)
