

DJ Khaled, I Believe (ft. Demi Lovato)

Some people stand
some people move
thought times doesn't last
but tough people do
as long as you've got hope
you'll find your way
there's power in the thoughts that you think
there's power in the words you say

Like I Can, I can, I will, I will
I am, I am, no fear, no fear

Today I saw a rainbow in the rain
it told me I can do anything
if I believe, I believe, I believe in me
if I believe, I believe, I believe in me

I got the light, inside of me
and I've got no choice, but to let it breathe
as long as there is love
I can make it anywhere I go
if I follow my dreams
I'll end up building a yellow brick road

Like I Can, I can, I will, I will
I am, I am, no fear, no fear

Today I saw a rainbow in the rain
it told me I can do anything
if I believe, I believe, I believe in me
if I believe, I believe, I believe in me

I'm living my best life
I'm a flower that's blooming
Like a roses in the spring
living my best life
I am wearing a crown that's only fit for queen
I am glorious, victorious
a warrior
let's ride!

Today I saw a rainbow in the rain
it told me I can do anything
if I believe, I believe, I believe in me
if I believe, I believe, I believe in me

when time goes hard
I went harder
the best thing I ever did was believe in me
I believe

Today I saw a rainbow in the rain
it told me I can do anything
if I believe, I believe, I believe in me
if I believe, I believe, I believe in me

To succeed you must believe
we the best music
I believe
another one
A Wrinkle in time
