

# DJ SNAKE, Run It (ft. Rick Ross & Rich Brian)

Rollin' in Impalas but you're too tame  
I ain't from the South but I appreciate the wood grain  
Neighbor callin' me about the noise i  
It's only two, man  
Now I'm in the same buildin'  
But the floors and view changed  
I ain't for the waitin' now  
I bought a Rari and I did it just to hear the sound  
Drive safe really 'bout to lose all it's meanin' now  
Guess you love to travel when I pull up, man, you're leavin' town  
Say you're married to the game  
And I'm just here to burn the gown

I GOT A FLIGHT OIN THE MORNING  
I SEE WHAT YOU BEEN TRYNA DO  
AND I AM MISSION ABORT IT  
YOU THINK I NEVER PAY ATTENTION  
IN MY MIND I AM RECORDINF

I am about yo win and ruin all your goals  
And dreams out of bedreom  
Riding around whit hommies liek we rin the city  
Done it!  
Looking fresh  
And feeling liek a mi;ion , money  
Moeve oin silemce  
Yoiu can never hear me coming  
If you got a problem  
When you see me,  
RUN IT!
