Dr. John, Such a Night

Such a night, it's such a night Sweet confusion under the moonlight Such a night, such a night To steal away, the time is right

Your eyes caught mine, and at a glance You let me know that this was my chance But you came here with my best friend Jim And here I am, tryin' to steal you away from him

Oh, but if I don't do it, you know somebody else will If I don't do it, you know somebody else will If I don't do it, you know somebody else will If I don't do it, you know somebody else will

And it's such a night, it's such a night Sweet confusion under the moonlight It's such a night, such a night To steal away, the time is right

Yeah, I couldn't believe my ear and my heart just skipped a beat When you told me to take you walkin' down the street Oh yeah, you came here with my best friend Jim Here I am, I'm stealin' you away from him

Oh, but if I don't do it, you know somebody else will If I don't do it, you know somebody else will If I don't do it, you know somebody else will If I don't do it, you know somebody else will 'Cause it's such a night
