

# Drake, Fake Love

I've been down so long it look like up to me  
They look up to me  
I got fake people showing fake love to me  
Straight up to my face, straight up to my face  
/2x

Something ain't right when we talking /2x  
Look like you hiding your problems  
Really you never was all in  
No you can't son me, you won't never get to run me  
Just when shit look out of reach, I reach back like one, three  
Like one, three,

That's when they smile in my face  
Whole time they wanna take my place /3x  
I know they wanna take my place  
I can tell that love is fake  
I don't trust a word you say  
How you wanna clique up after your mistakes?  
Look you in the face and it's just not the same

I've been down so long it look like up to me  
They look up to me  
I got fake people showing fake love to me  
Straight up to my face, straight up to my face  
/2x

Yes, straight up to my face, tryna play it safe  
Vibe switch like night and day, I can see it like right away  
I came up, you changed up, I caught that whole play  
Since then, things never been the same

That's when they smile in my face  
Whole time they wanna take my place /3x  
I know they wanna take my place  
I can tell that love is fake  
I don't trust a word you say  
How you wanna clique up after your mistakes?  
Look you in the face and it's just not the same

I've been down so long it look like up to me  
They look up to me  
I got fake people showing fake love to me  
Straight up to my face, straight up to my face
