

Dua Lipa, Levitating

If you wanna run away with me I know a galaxy
And I could take you for a ride
I had a premonition that we fell into a rhythm
Where the music don't stop for life

Glitter in the sky, glitter in my eyes
Shining just the way you like
If you're feeling like you need a little bit of company
You met me at the perfect time

You want me, I want you, baby
My sugar-boo, I'm levitating
The Milky Way, we're renegading
Yeah, yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating

I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating

I believe that you're for me, I feel it in our energy
I see us written in the stars
We can go wherever, so let's do it now or never
Baby, nothing's ever ever too far

Glitter in the sky, glitter in our eyes
Shining just the way we are
I feel like we're forever every time we get together
But whatever, let's get lost on Mars

You want me, I want you, baby
My sugar-boo, I'm levitating
The Milky Way, we're renegading
Yeah, yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating

I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating

You could fly away with me tonight
You could fly away with me tonight
Baby, let me take you for a ride
Yeah, yeah, yeah, yeah, yeah

You could fly away with me tonight
You could fly away with me tonight
Baby, let me take you for a ride

My love is like a rocket, watch it blast off
And I'm feeling so electric, dance our ass off
And even if I wanted to, I can't stop
Yeah, yeah, yeah, yeah, yeah

My love is like a rocket, watch it blast off
And I'm feeling so electric, dance my ass off
And even if I wanted to, I can't stop
Yeah, yeah, yeah, yeah, yeah

You want me, I want you, baby
My sugar-boo, I'm levitating
The Milky Way, we're renegading

I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating

You could fly away with me tonight
You could fly away with me tonight
Baby, let me take you for a ride
Yeah, yeah, yeah, yeah, yeah (I'm levitating)

You could fly away with me tonight
You could fly away with me tonight
Baby, let me take you for a ride

I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating
You, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating
