Dua Lipa, Levitating

If you wanna run away with me I know a galaxy And I could take you for a ride I had a premonition that we fell into a rhythm Where the music don't stop for life

Glitter in the sky, glitter in my eyes Shining just the way you like If you're feeling like you need a little bit of company You met me at the perfect time

You want me, I want you, baby My sugar-boo, I'm levitating The Milky Way, we're renegading Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight I need you all night, come on dance with me I'm levitating

I got you, moonlight, you're my starlight I need you all night, come on dance with me I'm levitating

I believe that you're for me, I feel it in our energy I see us written in the stars We can go wherever, so let's do it now or never Baby, nothing's ever ever too far

Glitter in the sky, glitter in our eyes Shining just the way we are I feel like we're forever every time we get together But whatever, let's get lost on Mars

You want me, I want you, baby My sugar-boo, I'm levitating The Milky Way, we're renegading Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight I need you all night, come on dance with me I'm levitating

I got you, moonlight, you're my starlight I need you all night, come on dance with me I'm levitating

You could fly away with me tonight You could fly away with me tonight Baby, let me take you for a ride Yeah, yeah, yeah, yeah

You could fly away with me tonight You could fly away with me tonight Baby, let me take you for a ride

My love is like a rocket, watch it blast off And I'm feeling so electric, dance our ass off And even if I wanted to, I can't stop Yeah, yeah, yeah, yeah

My love is like a rocket, watch it blast off And I'm feeling so electric, dance my ass off And even if I wanted to, I can't stop Yeah, yeah, yeah, yeah You want me, I want you, baby My sugar-boo, I'm levitating The Milky Way, we're renegading

I got you, moonlight, you're my starlight I need you all night, come on dance with me I'm levitating

You could fly away with me tonight You could fly away with me tonight Baby, let me take you for a ride Yeah, yeah, yeah, yeah (I'm levitating)

You could fly away with me tonight You could fly away with me tonight Baby, let me take you for a ride

I got you, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating
You, moonlight, you're my starlight
I need you all night, come on dance with me
I'm levitating
