Joji, ATTENTION

girl, would it kill you
jut to throw a little bit of attention?
if I hurt you
I’m afraid that’s gonna teach me a lesson
now would you hate me if I said goodbye?
so quick you could eat my dust

now would you hate me if I run like hell
in the wind from dawn till dusk
when you cry
you waste your time
over boys you never liked

can you be so obvious
so keep it light
so keep it light

now
I thought I vocalized my traumas
but I wonder how it sound
I know I’m cryptic and I’m worthless

I don’t wanna die so young
got so much to do
I don’t smile for the camera
only smile for you
smile for you

now would you hate me if I said goodbye?
so quick you could eat my dust

now would you hate me if I run like hell
in the wind from dawn till dusk
when you cry
you waste your time
over boys you never liked
can you not?
