[Verse 2]  
Adrenaline keeps on rushing in  
Love the simulation we're dreaming in  
Don't you agree?  
Don't you agree?  
I don't wanna live another life  
Cause this one's pretty nice  
Living it up

[Pre-Chorus]  
Who needs to go to sleep, when I got you next to me?

[Chorus]  
All night I'll riot with you  
I know you got my back and you know I got you  
So come on (Come on), come on (Come on), come on (Come on)  
Let's get physical  
Lights out and follow the noise  
Baby keep on dancing like you ain't got a choice  
So come on (Come on), come on (Come on), come on  
Let's get physical

[Middle 8]  
Hold on just a little tighter  
Come on  
Hold on, tell me if you're ready  
Come on (Come on, come on)  
Baby keep on dancing  
Let's get physical  
Hold on just a little tighter  
Come on  
Hold on, tell me if you're ready  
Come on (Come on, come on)  
Baby keep on dancing  
Let's get physical

[Chorus]  
All night I'll riot with you  
I know you got my back and you know I got you  
So come on, come on, come on  
Let's get physical  
Lights out and follow the noise  
Baby keep on dancing like you ain't got a choice  
So come on (Come on), come on (Come on), come on
