Jonas Blue, What I Like About You (Feat. Theres

All my life I've been a good girl
Tryna do what's right, never told no lies
Then you came around and suddenly my world
Turned upside down, now there's no way out

I tried to fight against it, shut out what all my friends said
Can't get you out of my head,
I keep letting you in, though I know it's not a good thing
I got you under my skin

you’re so out of line
you make me bad and I don’t know why
but that’s what I like about you
that’s what I like about you
I’m out of my mind
you got me running all the red lights
but that’s what I like about you
that’s what I like about you

you make me bad and I don’t know
you make me bad and I don’t know
that’s what I like about you
that’s what I like about you
you make me bad and I don’t know
you make me bad and I don’t know
that’s what I like about you
that’s what I like about you

I don’t care if my daddy don’t think we’re the perfect pair
it’s my affair
I fon;rt know why my mama worries when I;m out all night
she thinks I’m 9

I tried to fight against it, shut out what all my friends said
Can't get you out of my head,
I keep letting you in, though I know it's not a good thing
I got you under my skin

you’re so out of line
you make me bad and I don’t know why
but that’s what I like about you
that’s what I like about you
I’m out of my mind
you got me running all the red lights
but that’s what I like about you
that’s what I like about you

you make me bad and I don’t know
you make me bad and I don’t know
that’s what I like about you
that’s what I like about you
you make me bad and I don’t know
you make me bad and I don’t know
that’s what I like about you
that’s what I like about you
