Jonas Brothers, Cool

I’m feeling so cool
top to the bottom, just cool
every little thing that I do
damn, if I’m feeling so cool

woke up feeling like a new James Dean
comb my hair like and old school scene
feeling hot like a late night summer od las night

standing there with a red dress on ya
killer queen like a young Jane Fonda
is it me or am I just having a good year?

lately I’ve been feeling so cool
top to the bottom, just cool
every little thing that I do
damn, if I’m feeling so cool
it’s like ohh
maybe I should bottle my moves
sell ‘em for a dollar or 2?
damn, if I’m feeling so cool

must have done something right
cause all these lights are green
man, they look like palm trees
and every time that a song comes on
it’s about me

I feel like Post Malone when I get home
sitting that way like it’s game of Thrones
and now that we’ve made it
how complicated was last year?

lately I’ve been feeling so cool
top to the bottom, just cool
every little thing that I do
damn, if I’m feeling so cool
it’s like ohh
maybe I should bottle my moves
sell ‘em for a dollar or 2?
damn, if I’m feeling so cool

cool /3x

woke up feeling like a new James Dean
comb my hair like and old school scene
when I grow up, I wanna be just like me

lately I’ve been feeling so cool
top to the bottom, just cool
every little thing that I do
damn, if I’m feeling so cool
it’s like ohh
maybe I should bottle my moves
sell ‘em for a dollar or 2?
damn, if I’m feeling so cool

cool !
