Jonas Brothers, What A Man Gotta Do

caught my heart about one, two times
don’t need to question the reason, I am yours
I’d move the Earth or lose, a fight just to see your smile
‘cause you got no flaws, no flaws

I am not tryna be your part-time lover
sing me up for the full-time
I am yours, all yours
so what a man gotta do
so what a man gotta do
to be totally locked up by you?
so what a man gotta say
so what a man gotta pray
to be your last goodbye and your first good day
so so what a man gotta do
so so what a man gotta prove
to be totally locked up by you?

you was tryna be wasting time
on stupid people in cheap lines
I am sure /2x
so I’d give a million dollars just for you
to grab me by the collar
and I’ll come build us, build us

I am not tryna be your part-time lover
sing me up for the full-time
I am yours, all yours
so what a man gotta do
so what a man gotta do
to be totally locked up by you?
so what a man gotta say
so what a man gotta pray
to be your last goodbye and your first good day
so so what a man gotta do
so so what a man gotta prove
to be totally locked up by you?

I am not tryna be your part-time lover
sing me up for the full-time
I am yours, all yours
so what a man gotta do
so what a man gotta do
to be totally locked up by you?
so what a man gotta say
so what a man gotta pray
to be your last goodbye and your first good day
so so what a man gotta do
so so what a man gotta prove
to be totally locked up by you?
