

# Duncan Laurence, Love Don't Hate It

I wasn't ready for this  
I wasn't ready for my heart to drop  
The way that it did  
I can't deny, I can't deny  
I feel it in every kiss  
It's slowly taking over every thought  
Have you been sleeping on it?  
Well, so have I, so have I

Look at us, we could have it all  
So damn right, that it should be wrong  
Let's not complicate it  
If it's love, don't hate it  
Don't pull back if you start to fall  
Let ourselves get a little lost  
Let's not complicate it  
If it's love, don't hate it

Look at us, we could have it all  
Look at us, we could have it all  
But if we don't try, then we'll never know

Lay your head on my chest  
I wish that we'd be like this every night  
You don't gotta be stressed  
Just close your eyes, close your eyes  
Feels so good when I have you in my arms  
Really think it's right where you belong

Look at us, we could have it all  
So damn right, that it should be wrong  
Let's not complicate it  
If it's love, don't hate it  
Don't pull back if you start to fall  
Let ourselves get a little lost  
Let's not complicate it  
If it's love, don't hate it

Look at us, we could have it all  
Look at us, we could have it all  
But if we don't try, then we'll never know  
If we don't try, then we'll never know  
Look at us, we could have it all  
Look at us, we could have it all  
But if we don't try, then we'll never know

Oh, oh-oh, oh-oh...

If we don't try, then we'll never know (Oh-oh-oh)  
If we don't try, then we'll never know  
Oh, oh-oh, oh-oh...

If we don't try, then we'll never know (Oh-oh-oh)  
If we don't try, then we'll never know

Look at us, we could have it all  
Look at us, we could have it all  
But if we don't try, then we'll never know
