Julia Pietrucha, In Me

in the night she’s fallin’
wish for someone callin’
in the night she’s fallin’
wish for someone callin’

in the night she’s fallin’
wish for someone callin’
now when she’s lost

wake up in the morning
dreamed of someone warming
the clod in her heart

maybe life inside her
makes the darkness brighter
now, dare to see

lonely teardrops drying
no more time for crying
life wants to be

somehow
she’ll need to bar
cause now
there’s someone else
somehow
she’ll need to bar
cause now
there’s someone else
