

Ed Sheeran, Beautiful People (feat. Khalid)

I. a. on a Saturday night in the summer
sundown and they all come out
lamborghinis and their rented hummers
the party's on
so they're heading downtown
everybody's looking for a come-up
and they wanna know what you're about
me in the middle with tow one I'm loving
we're just tryna figure everything out

we don't fit in well
cause we are just ourselves
I could use some help
grtting out of this conversation
you look stunning, dear
so don't ask that question here
this is my only fear
that we become

beautiful people
drop-top, designer cloths
front row at fashion shows
what d' you do?
and who d'you know?
inside the world of
beautiful people
champagne and rolled-up notes
pre-nups and broken homes
surrounded but still alone
let's leave the party

that's not who we are
we are not beautiful
that's not who we are
we are not beautiful

droves for hours last night and we made it nowhere
I see stars in your eyes when we're halfway there
I;m not fazed by all the lights and flashing cameras
cause with my arms around you
there's no need to care

we don't fit in well
cause we are just ourselves
I could use some help
grtting out of this conversation
you look stunning, dear
so don't ask that question here
this is my only fear
that we become

beautiful people
drop-top, designer cloths
front row at fashion shows
what d' you do?
and who d'you know?
inside the world of
beautiful people
champagne and rolled-up notes
pre-nups and broken homes
surrounded but still alone
let's leave the party

that's not who we are

we are not beautiful
that's not who we are
we are not beautiful
