

Emani 22, Better Days

You talking to me reckless
You're tryna start my dfeelings
Can't believe you'd take it there
Shouldn't even say this shit
Wasn't supposed to be but i am

Tell you what i am relly, reallyt tryna say
Ain't too much
I ain't really tryna wreck you day
And since iot's been a minute
Pray you're still down the long way
