

# Emani 22, Better Days

You talking to me reckless  
You're tryna start my dfeelings  
Can't believe you'd take it there  
Shouldn't even say this shit  
Wasn't supposed to be but i am

Tell you what i am relly, reallyt tryna say  
Ain't too much  
I ain't really tryna wreck you day  
And since iot's been a minute  
Pray you're still down the long way
