

Emeli Sandé, Highs & Lows

We don't have a plan
Just pack our bags and run as fast as we can
We hold the future in the palm of our hands
I know you hear me but do you understand?

Yes, we've been making a scene
I'll keep on singing while you shake tambourine
Whether we're broke
Whether we're living the dream
I see you laughing
But you know what I mean

I'm talking about the highs
I'm talking about the lows
I'm sticking by your side
No, way I'm letting go
I'm giving you forever
Baby, it's yours
I'm talking about the highs
I'm talking about the lows
