Katy Perry, Small Talk

isn’t it strange
that you used to know me
all the highs and lows
and in-betweens
and now you see me and just say hey

isn’t it weird
that you’re seen me naked
we have conversations about forever
now it’s about the weather okay

I just can’t believe
we went from strangers to losers
to strangers in a lifetime
now just memories
we’ve gone from strangers to lovers t strangers

acting like we never met
faking like we’d just forget
we were lovers
and now there’s nothing left but small talk
had every inch of your skin
there’s nowhere your hands haven’t been
ain’t it funny
‘cause now there’s nothing left but small talk

isn’t it wild
that I know your weakness
and everybody at the pretty things
that you’re the best since sliced bread

and isn’t it awkward
I got a now somebody
and honestly it will probably be
a while before we can just be friends

I just can’t believe
we went from strangers to losers
to strangers in a lifetime
now just memories
we’ve gone from strangers to lovers t strangers

(small talk)

acting like we never met
faking like we’d just forget
we were lovers
and now there’s nothing left but small talk
had every inch of your skin
there’s nowhere your hands haven’t been
ain’t it funny
‘cause now there’s nothing left but small talk

Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah
now there;s nothing left but small talk

Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah
now there;s nothing left but small talk

I just can’t believe
we went from strangers to losers
to strangers

acting like we never met
faking like we’d just forget
we were lovers
and now there’s nothing left but small talk
had every inch of your skin
there’s nowhere your hands haven’t been
ain’t it funny
‘cause now there’s nothing left but small talk

Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah
now there;s nothing left but small talk

Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah
now there;s nothing left but small talk
