Kehlani, Honey

I like my girls just like i like my honey, sweet
a little selfish
I like my woman like I like my money, green
a little jealous
cause I'm a beautiful wreck
a colorful mess, but I'm funny
I;m a heartbreak vet
with a stone-cold neck,
yes, I'm charming

all the pretty girls in the world
but I'm in this space with you
colored out the line
I came to find
my fire was fate with you
fly great escapes with you

I countdown to the clock, saw you awake
don't walk away, or would you wait for me?
I go out to the bar, fuck hanging with the stars
don't even have a car, but you would wait for me

all the pretty girls in the world
but I'm in this space with you
colored out the line
I came to find
my fire was fate with you
fly great escapes with you

I like my girls just like I like my honey, sweet
a little selfish
I like my woman like I like my money, green
a little jealous
cause I'm a beautiful wreck
a colorful mess, but I'm funny
I;m a heartbreak vet
with a stone-cold neck,
yes, I'm charming
