Kesha, High Road

I am taking the high road
I am high as fuck
and these assholes won’t shut up
got me laughter
I ain’t losing no sleep

I am taking the high road
I am high as fuck
and these assholes won’t shut up
got me laughter
I ain’t losing no sleep

I am taking the
high road
high road
high road
high road

I am the bitch
you love to hate
talk that shit straight to my bank
so aggressive
passive
aggressive
delate the message
and pass me a beverage
good god
what the fuck
have I done?

all in the name of god
clean fun
y’all think I am crazy
think I am dumb
could a bitch this dumb write
a number one?

more than one
more than two
more than you, woo!

I am taking the high road
I am high as fuck
and these assholes won’t shut up
got me laughter
I ain’t losing no sleep

I am taking the high road
I am high as fuck
and these assholes won’t shut up
got me laughter
I ain’t losing no sleep
