Khalid, My Bad

can’t count up the Times you’ve blown my line
and that’s been on my mind a lot lately
I wanna leave the extra all behind
and I know that you wanna be me baby

Said, my bad
Blowin' me up, beepin', wilin'
We was cool, yeah, we was vibin'
Gotta put my phone on silent
So my, my, my, my bad
Blowin' me up, beepin', wilin'
We were cool, yeah, we was vibin'
Gotta put my phone on silent
So my, my, my bad

we both care about it
but arguing with me just isn’t worth it
don’t go reachin’ in your bag
your bag
I didn’t text you back
cause I was working

Said, my bad
Blowin' me up, beepin', wilin'
We was cool, yeah, we was vibin'
Gotta put my phone on silent
So my, my, my, my bad
Blowin' me up, beepin', wilin'
We were cool, yeah, we was vibin'
Gotta put my phone on silent
So my, my, my bad

gave you all the signs
gave you alla my time, my love
you’re following the signs
but you’re following the wrong signs, my love
gave you all the signs
gave you alla my time, my love
you’re following the signs
but you’re following the wrong signs, my love

Said, my bad
Blowin' me up, beepin', wilin'
We was cool, yeah, we was vibin'
Gotta put my phone on silent
So my, my, my, my bad
Blowin' me up, beepin', wilin'
We were cool, yeah, we was vibin'
Gotta put my phone on silent
So my, my, my bad
